

Summer Conflicts

Sundancers and Parents,

As you know, summer practices and camps are an important time for the development and growth of this team. Please be conscientious about these dates and try to resolve any conflicts that may arise. Be aware that absences from any of our summer dates may result in being taken out of dances or performances. Consequences will be given for any unexcused absences.

Any conflicts, such as vacations and/or summer school that come up should be written below. Please include dates and times that you will be absent from practices or other summer events. Please return to Mrs. Gaither by May 17 otherwise it will automatically be considered an unexcused absence. Not all absences noted below will be considered excused.

Even if you have already spoken to Mrs. Gaither about your absences, please write it out and turn it in so that it is official.

Thank you for your attention and I am looking forward to all of our summer events!
